Link last year's Fantasy account to your NRL Account if you want (using the same email)

Go to the Fantasy site and log in. If this is your first time visiting Fantasy and logging in, you will need to answer a few questions before you can set up your team.

If you have used **the same email** for your NRL account and last year's Fantasy account, we will automatically detect that you played last year. You can:

- link **your NRL Account to another Fantasy account** you may have used which had a different email. In this case, enter the email address of the Fantasy account you want to link to and click the **I'd prefer to link to a different 2017 Fantasy Account** link. - also choose to start afresh and **not link your Fantasy account to any historical information**, in this case, click **Cancel**.
