

# Instant Replays, Match Highlights and Press Conferences

The information below is specific to the Telstra Premiership. Service for lower leagues or Major Events such as the State of Origin may vary depending on NRL's content rights with our Digital Partners.

## Instant Replays

### What is an instant replay?

An Instant Replay is a single clip (approx. 15 secs) of a match highlight, such as a try being scored, which is published while the match is still in play.

Not every highlight moment of a match may be published.

### Where can I find instant replays?

Instant replay clips can be found in the Match Centre and may be published to other areas of the site, for example, on the Homepage or under News.

### Why can't I see instant replays in outside of Australia?

Due to rights agreements with the local broadcasters, these clips are not available to fans in New Zealand.

## Short Match Highlights

### How soon after the game can I watch the short match highlights?

Soon after the final whistle, a short match highlights video (approx. 3 mins) will be available for fans to view.

### I live outside of Australia. Can I watch the short match highlights?

The short match highlights videos are available for fans to view on-demand in all countries.

## Extended Highlights and Full Match Replays

### How soon after the game can I watch the extended match highlights?

The extended match highlights videos (approx. 10-15 mins) and the full match replay will be available for fans to view on-demand at a later time, subject to rights agreements with local broadcasters.

**Australia** - The extended match highlights and full match replays will not be available until at least 12 hours after the final whistle of the match.

**New Zealand** - The extended match highlights and full match replays will not be available until at least 24 hours after the final whistle of the match.

**Rest of the world** - The extended match highlights and full match replays will not be available in any other countries. To access live streams or on-demand replays of Premiership matches outside of Australia and New Zealand, [please subscribe to Watch NRL](#)

## Press Conferences

---

### Can I watch the Press Conferences held after the match?

Yes. There will be a live stream of the Press Conference after the game and, soon afterwards, videos of both teams' press conference will be made available for fans to view on-demand.

Both the live stream and on-demand replays are available for fans to view in all countries.

While NRL endeavour to present you with the content as mentioned above, we cannot guarantee the volume of content, the length of the videos or the exact time of publishing as there may be factors outside of our control.
